VI.) Old Business

a.) Ball Diamonds/Soccer Field: There have been no issues at this time. Weeds have been sprayed.

b.) Playground equipment: Sherry has inquired about power washing and painting of some of the older equipment. Hope that DPW can assist with install of new firetruck play equipment when that is purchased in the near future.

c.) Grant: Sarah attended a conference with her employer (City of Port Huron) where there was an announcement of grant winners. Clyde Twp. Name was listed. Sherry to inquire further as the Park and Rec did not receive notice.

d.) 5- Year Plan: Sherry plans to ask Kim for assistance. The committee will be discussing needs/concerns for the parks for their next projects.

VII. New Business

a.) City Rec Programs: There was discussion about the Port Huron Rec Programs, and the funding that is provided to Clyde residents. There are some changes being made to this program and the committee determined there should be a cap set on the amount that Clyde can pay for residents. The committee agreed that Clyde Twp should continue with

this partnership with Port Huron so Clyde Residents can benefit from programs that Clyde is unable to offer. The amount of \$6000.00 cap per year was discussed.

b.) The committee walked the Township Park. Some suggested improvements: Redo the sidewalk leading to the pavilion, and possibly ad a small new patch in front of the porta potties. Upgrade the two benches, add a GaGa Ball court, rake the wood mulch around play area. (Tennis courts need to be upgraded, this has been previously discussed).

c.) This months expenditures sheets/budget: Reviewed
